

HOLY TRINITY LUTHERAN CHURCH

SPRING, 2025

*May the God of hope fill you with all joy and peace in believing,
so that by the power of the Holy Spirit you may abound in hope.*

Romans 15:13

We would like to thank you for your generous gift to Camp Kum-Ba-Yah (CKBY) Nature Center. Your donation for year-round scholarships helps children of all ages in the greater Lynchburg area regardless of their financial need or socio-economic background.

The investment you make in CKBY Nature Center extends to the entire community. These children grow to become service driven adults dedicated to transforming their communities into more hopeful and meaningful places

to live and work. The CKBY Nature Center experience instills in children a love for nature; physical, intellectual and emotional well-being; and self-confidence and independence.

Thank you for improving the quality of life for children and families in our community.

With gratitude,
Amy Bonnette
Executive Director

KIDS' HAVEN

All of us at Kids' Haven are so thankful for the continued and strong support by the people of Holy Trinity Lutheran. It's been a busy year as we have continued to hone our services to meet the needs of grieving children and their families.

Thank you for your help.

Liz Zellner

Thank you so much for your generous suitcase donation. You are helping kids entering foster care feel loved and secure.

We are so grateful!
Lynchburg Isaiah 117 House

Thank you for your generous donation to support Interfaith Outreach Association.

You have provided heat to keep the elderly warm this winter. You have

prevented the eviction of a family from their home. You have kept the heat on for families with children who were given a termination notice. You have helped ex-offenders look for work or get to their new jobs by providing them with bus passes. You have helped modify the homes of the disabled and provided ramps, allowing them to stay in their homes. You have helped those leaving homeless shelters turn their new houses into homes through our furniture program.

Together, we will continue to combat the 24% poverty rate in our area and give those in need a hand up!

Sincerely,
Shawne Farmer
Executive Director

On behalf of Rush Homes, I want to extend our heartfelt gratitude for your generous gift. Your congregation's support is instrumental in providing safe, accessible, and affordable housing for individuals with disabilities and low income in our community.

Your contribution has a meaningful impact, offering stability and independence to those who need it most. Because of donors like you, we are able to continue our mission to ensure that everyone has a place to call home.

Once again, thank you for your generosity and commitment to creating a more inclusive community.

With gratitude,
Kate Goodman
Director of Development

Thank you for choosing to support enCircle. Your gift of paper towels, tissue, school supplies, and other personal care items goes directly to ensuring that Minnick School students who need help can get help. We are grateful for your generosity and commitment to the important work enCircle is doing.

Your support goes a long way toward ensuring that everyone in our community feels empowered. With your help, our programs can sustain, grow, and expand, allowing enCircle to extend a loving hand to more folks who need it. We could not help others without you!

Thank you for making the world a more loving place!

Kind Regards,
DeHanza Kwong
Philanthropy Coordinator

Thank you for your donation to Meals on Wheels of Greater Lynchburg. Your gift enables us to continue to serve our homebound friends and neighbors in need.

Meals on Wheels has been serving the homebound in our area for 50 years. Without relying on state or federal funding, we have delivered over 3 million meals in this community. We are able to

reach these milestones because of supporters like you.

Marie called us from her doctor's office. She was down to 77 pounds and had numerous health issues. Her physician encouraged her to build up her strength as a first step. We immediately scheduled a home visit where we also met her son, Bret, who is wheelchair bound due to cerebral palsy. A few months later, Marie has gained some weight and Bret enjoys meeting the volunteers and having a chance to talk about football.

Thanks to your help, we are not only providing hot, healthy meals, we are also providing care and connection to people of all ages and backgrounds in our community. We can make common-sense decisions about how best to meet their needs and offer referrals to other programs when necessary. Together we are making a difference in the lives of others as we deliver independence and nourish body and spirit.

With thanks and best wishes,
Kris Shabestar
Executive Director
